

TRANSPORTATION TO LA GRANDE MOTTE ON TUESDAY MORNING

TRAIN STATION

Taxis (5-7 seats) will be waiting at the end of the train station hall, up-stairs, on the South-West side. This South-West side is the direction of the station Parking and of the car rental office. The taxi drivers will be waiting in front of this car rental office (red arrow on the photograph above) with a sign indicating BELAMBRA Grande Motte.

A single taxi company, affiliated with Belambra, will be paid by the conference. In order to plan the right number of cars, and until Monday evening, please email me (jacques.roy@cnrs.fr) if you want to take this conference transportation. Indicate in your mail your arrival time (we may arrange a couple taxis leaving earlier than 11:45; in that case I will send a mail to the ones directly concerned). On Tuesday morning please call directly the taxi company, (at least one hour before pick-up time) at the **06 17 52 40 51** and give your name. Unless otherwise stated directly to you, the pick-up time is 11:45.
